The Fratelli Knitwear philosophy is one that focuses on knitwear not simply being a garment that keeps you warm. Our knitwear should also reflect the individual personality of the wearer, and at the same time be comfortable and elegant to wear.

Our Italian Made range of knitwear brings together an inspiring array of styles and colours across 4 distinct labels. Fratelli Gold, Fratelli Italia, Southampton & Casual Guy. Extra fine quality Merino Wool sourced from Australian & New Zealand wool growers is an integral part of what makes Fratelli special.
